Dear Ms. Faria Zarin Subah,

On behalf of Information and Communication Technology Division (ICTD) and University of Asia Pacific, Dhaka, Bangladesh it is an honor to invite you to participate in the 45th World Finals of the International Collegiate Programming Contest (ICPC), which will be held on November 6-11, 2022 in Dhaka, Bangladesh. The competition is the global championship for teams of three advancing from the ICPC Regionals. These World Finalists are among the top 2% advancing from a field of 58,963 talented students from 3,406 universities in 104 countries on 6 continents.

The ICPC World Finals Dhaka will be an outstanding event to promote education in the fields of computer science, mathematics and engineering and will spotlight the world's brightest university programmers who will inspire the younger generations of IT professionals.

All ICPC events and food functions are provided at no cost to registered participants during the contest period from arrival on November 6 to departure on November 11, 2022.
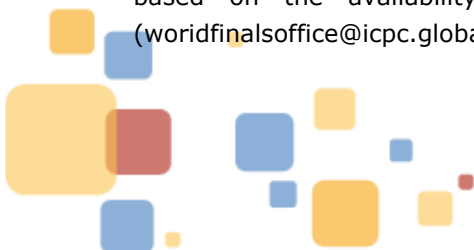

Please visit the contest website for a full schedule of events, local information, entry requirements, and the ICPC Fact Sheet. The Visa Manager (wfdhakavisa@icpc.global) will give assistance with visas in association with host Visa Coordinator. Most participants are eligible for a Visa on Arrival, but may also apply for a Visa in Advance at their local consulate.

Participants need to be fully vaccinated before arrival. As per the current policy of the Government of Bangladesh, all travelers entering the country must be able to show proof of full vaccinations (single/double dose as applicable for a full dose) of a WHO approved COVID-19 vaccine OR must show proof of a negative PCR test valid within 72 hours of travel. Please be prepared to provide documentation. Contact wfdhakavisa@icpc.global for assistance and information in this area.

The host will provide ample access to preventive health supplies at registration, hotel, and events and will provide PCR testing, if needed. Should you test PCR positive, the host will arrange rapid treatment.

In Dhaka, you will be the honored guest of ICTD and University of Asia Pacific, Dhaka, Bangladesh. Using digital technology, coordinated organization and goodwill, Bangladesh will be welcoming you to Dhaka to celebrate your talent, acumen, and achievement as you compete among peers in the ICPC World Finals Championship.

Hotel information will be published on your ICPC dashboard in early September 2022. You are invited to extend your stay to acclimatize and prepare beginning on October 15, 2022, at ICPC designated hotels, based on the availability of rooms, or at another local hotel. The ICPC Guest Managers (woridfinalsoffice@icpc.global) will provide assistance with hotel reservations.

Please contact the ICPC Contest Manager (manager@icpc.global) with all other questions.

ICPC World Finals Dhaka expects to host over 1,000 participants and reach far more. We look forward to welcoming ICPC World Finals Teams, their coaches, foreign and domestic media, judges, staff, alumni, and volunteers who conduct competitions that span the globe, including the ICPC World Finals Championship scheduled for November 10 in Dhaka.

We are looking forward to seeing you in Dhaka in November 2022.

Yours sincerely,

Professor Qumrul Ahsan
